

St Catherine's Class Newsletter.

We celebrated the beginning of Advent with a Christmas Craft Morning. We made all sorts of treats and decorations and had fun with our parent community.

Bathing a baby at school

St Catherine's have been learning about Mary and Gabriel's message. We have thought carefully about all that Mary needed to do to be ready to be Jesus' mother.

We compared now and then and drew Venn diagrams.

Suzanne came in with Sophie and we watched her have a bath at school.
