

Rona Will Mary Millie Samantha Gene

On Friday it was scooter day. We got the idea from a book called "Mr. Macdoodle and his scooter." Harriet

On Math's day we had five groups we did fractions with playdough Gene

I was playing the fraction's game

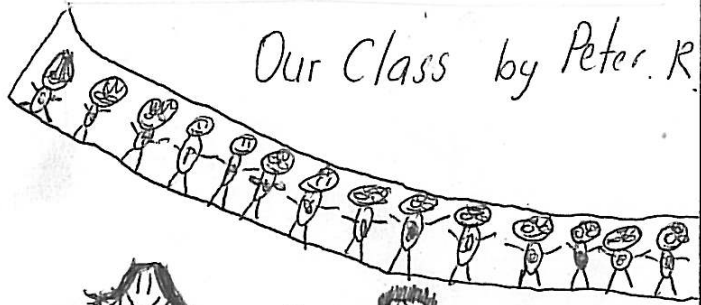

It was my birthday on August the 6th. I had a small party in Noosa.

On Sunday the All Blacks won. It was All Black vs Australia.

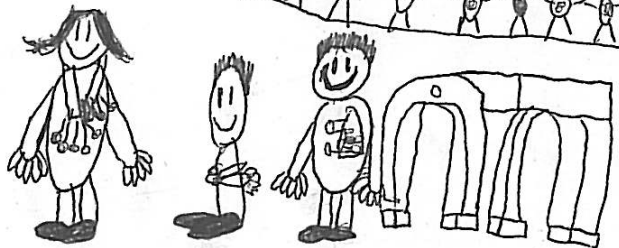

My family came. It was at Eden park (I got lots of presents)

I was sitting right at the front I went with my Dad, Grandpa

and a friend. Dan Carter got all his goals but the Australians missed three goals. We cheered for the All Blacks. When the All Blacks scored we cheered and waved our flags. (Story by Ryan Lynch)
